

Won't You Be My Guardian Angel?

Many of Precious Paws' cats never get that forever home we want for them. Perhaps one adorable kitty is FIV+ and that cute boy, Billy, an injured feral who never learned to trust humans while others, like little Fiona and Angel, have severe medical issues.

At Precious Paws, we never turn away from any cat. We give these special-needs babies safe shelter, a warm bed, enough food to fill their bellies, ongoing medical care and as many snuggles as they will allow. But it's hard for us to keep up with expenses so we turn to you for help... Won't you become a **Guardian Angel** to one of our special-needs kitties?

For as little as \$15 a month (or \$150 a year), your **TAX-DEDUCTIBLE DONATION** ensures that these special babies will continue to get what they need. And when you become a **GUARDIAN ANGEL**, you'll get a personal thank you and photo from your chosen kitty and regular updates on their progress.

You can make a difference right now! Visit our website to learn about these and other very special cats waiting for their own Guardian Angel. **Remember... your donations are tax deductible!**

The **Group Guardian Angels Program** is a great way for any organization to pool resources to help those with ongoing expensive medical challenges like little Fiona's. Visit our website to download this Guardian Angel poster and help us spread the word! The kitties will be so very grateful... and you will have our unending gratitude for helping us help the most helpless.

THANK YOU!
